

Gunday download 720p movie. In what was the most talked about movie of 2016, "Gunday" stars Ranbir Kapoor and Katrina Kaif who's a refreshing change from the over-saturated Bollywood crop. The two met on a film set and fell in love. From then on it's been a whirlwind romance that sadly, ultimately ended in failure. They separated ways but were re-united for this summer's blockbuster "Tamasha". This time around, fate has definitely not been propitious for them, with Ranbir being entangled in a big love triangle involving two women when the movie is set to hit the screens.
